

TOWN OF WEBSTER

Notice of Public Meeting

The Webster Office of Community Development (OCD) will hold a public meeting on Tuesday, December 19, 2023, at 6:00 P.M. on behalf of the Board of Selectmen. The meeting's purpose is to amend and update the Town's Community Development Strategy (CDS) and will include a discussion of Webster's unmet housing and community development needs.

The Community Development Strategy is based on various planning documents used by a community and outlines a plan of action intended to accomplish specific community development goals that will have a positive impact on the community. A community's CDS will identify the goals and objectives of its community development efforts over a 3 to 5 year period and explain how the community expects to address the priorities with CDBG and non-CDBG funds. Each activity included in a Massachusetts CDBG application must relate to and be reflected in the Strategy.

The hearing will be held in the **Gladys E. Kelly Public Library, Local History Meeting Room, 2 Lake Street, Webster, MA.** Any person or organization so wishing will be afforded an opportunity to be heard. Suggestions for CDS amendments may be made at the hearing or in writing to the OCD before the hearing. The Town encourages a broad spectrum of participation by residents and other interested parties in order to better understand and serve the needs of the community. The hearing location is accessible to persons with physical disabilities. If you require a translator, an accommodation for a hearing impairment or other accommodation, contact the OCD no later than Thursday, December 14, 2023, at the Town Hall, by calling 508.949.3800, ext. 4004, or via email at ccyr@webster-ma.gov.
